

On a year-over-year basis, the median home value in Sonoma County has ticked up 3% to \$658,500. In addition, the price per square foot has increased 12% to \$430. Homes are also selling slightly faster than they were last year, with the median market time dropping down 8% to 35 days.

Comparing to last month, the median sale price fell 6% while the median market time inched up 3%. While still up from last year, this drop represents the lowest median sale price thus far for 2018.

When looking at specific cities, Cotati saw the largest increase in the number of sales and sharpest drop in median market time, indicating increased interest in the region. Sebastopol and Sonoma experienced the largest jump in the median sale price.
